MAHENDRA PRATAP VERMA

Education

Bachelor of Technology (Computer Science and Engineering)	9.45 YGPA
	November 2022 – June 2026
Intermediate	93 %
Delhi Public School	*2020 – 2021*
HighSchool	95.2 %
Delhi Public School	*2019 – 2020*

Experiences

Grovyo Platforms	July 2024 – September 2024
Frontend Developer	*Remote*

- **Designed and developed** front-end web pages using **Next.js**, utilizing **server-side rendering** and **React components** to improve user experience, **SEO**, and performance while following **best practices** in **software development**.
- **Implemented** RESTful APIs and server-side logic with **Express.js**, integrating **Next.js** with back-end services to build **scalable web applications**, and **Collaborated** with the team for effective solutions. .

Projects

Rojgaar | *React Js, Tailwind CSS, React Redux , Express Js,Mongo DB,* | Deploy Github

- **Developed RESTful APIs** with **JWT authentication** and **Bcrypt** for secure user management, adhering to **coding best practices** for scalability.
- **Implemented recruiter features** such as **job creation, applicant tracking**, and **real-time dashboards** to deliver efficient and scalable **software solutions** in a **fast-paced development environment**
- **Enhanced state management** with **React Redux** and ensured mobile compatibility using **Tailwind CSS** .
- **Implemented user features** such as a **single-click job application**, **application tracking**, and intuitive **job filtering**, facilitating effective **collaboration**.

Portfolio | *React JS , Tailwind CSS , React Redux* | Deploy Github

- **Created a fully responsive** personal portfolio using **React.js** and **Tailwind CSS**, showcasing education, technical skills, and projects in a modern design while adhering to **best practices** for **user experience**
- **Implemented optimized front-end components** and ensured **cross-platform compatibility**, enhancing **user experience** on both desktop and mobile devices in a **fast-paced development** environment.

Technical Skills

Languages : **C++, HTML/CSS, Javascript**
Technologies and Frameworks : React JS, Node JS, Tailwind CSS, Express JS, Next JS, Mongo DB,
Developer Tools : VS code , Firebase , Github ,MongoDB,
Relevant Coursework : Data Structure , Algorithm , Computer Networks , DBMS

Achievements

- Achieved **1721** rating on **CodeChef** (3-star).
- Reached a max rating of **1871** on **LeetCode (Knight level)**.

Extra Curricular

- Technical Lead of AeroClub in my collage
